Our mission is to provide quality purchasing and contracting support to all county departments in a timely, cost effective and professional manner. As purchasing professionals:

- *We follow a strict Code of Ethics, avoiding the appearance of and preventing the opportunity for favoritism.*
- *We seek to maximize the purchasing power of the public funds, while promoting fair and open competition.*
- *We strive to create a work environment that demonstrates teamwork, respect, integrity and honest communication.*

CHAPTER 1. INTRODUCTION

The purpose of the County's Purchasing Policy (Policy) is to secure economy in the construction of County public works and in the expenditure of County funds for services, materials, supplies, and equipment. The Policy is intended to promote actual, honest and effective competition and protect the taxpayers from collusive contracts, favoritism, fraud, extravagance, and improvidence. The policies and procedures outlined herein are governed by Florida Statutes and Monroe County Ordinances, most of which are codified in the Monroe County Code (MCC), most recently in effect.

CHAPTER 2. AUTHORITY & DUTIES

A. Board of County Commissioners

The Procurement Policy Office consists of the Monroe County Board of County Commissioners which is hereinafter referred to as the BOCC.

1. The BOCC shall decide all matters of policy including those referred to it by the Chief Procurement Officer.
2. No contract for goods or services may be awarded without the approval of the BOCC, unless authorized by MCC or this Policy.

B. County Administrator

1. The County Administrator is the Chief Procurement Officer and shall have the authority and responsibility to adopt administrative instructions for the procurement of supplies, services, and construction in accordance with policy adopted by the BOCC. The purpose of such administrative instruction shall be to clarify or refine the provisions of the County code on purchasing and/or the Purchasing Policies and Procedures. In the event of any inconsistencies, the County Code provisions shall prevail over Policies and Procedures, the Policies and Procedures shall prevail over Administrative Instructions.

2. The County Administrator has contract approval authority as set forth in Monroe County Code Section 2-58.

C. Office of Management and Budget

1. There is a Purchasing Section within the Department of Management and Budget. The Director of Management and Budget shall head the Purchasing Section and in such capacity be additionally referred to as the Purchasing Director.
2. The Purchasing Director, with the approval of the County Administrator, may originate or modify a Monroe County Administrative Instruction that delineates specific procedures for governing the procurement process as defined by County Ordinance and this Policy.
3. The duties of the Purchasing Section are as follows:
 - (a) Assures that supplies used by various departments will be uniform whenever consistent with operational goals and in the interest of efficiency or economy. The Requesting Department must justify in writing the need for a special type of item.
 - (b) Makes alternative suggestions to the Requesting Department if requested specifications would restrict competition or otherwise preclude the most economical purchase of the required items. In case of disagreement as to the content of the specifications, the County Administrator shall make the final determination.
 - (c) Seeks purchases through State, Federal Agencies, Associations or other governmental agencies if the Requesting Department makes a request for same and such purchases may be in the best interest of the County.
 - (d) Reviews all request for purchases of goods and services. Upon review and receipt of a request to purchase from the Requesting Department, the purchasing section will issue the purchase order including the request for purchase if the purchase is for \$1,000.01 or more or is approved by the BOCC. In the event of an irregularity or departure from Policy, the purchase order will be referred to the Purchasing Director or County Administrator.
 - (e) The Purchasing Section will post procurement opportunities on DemandStar. In the event a department maintains a list of potential bidders/proposers (with email address) that list should be provided to the purchasing section for upload to DemandStar.
 - (f) Checks convicted/suspended vendor list prior to issuance of a bid tabulation.
 - (g) Tabulates the responses to RFBs and submit the tabulation to the Requesting Department for determination of the low bidder. When one or more bidders propose an alternative as “an equal” to that specified in the competitive solicitation, whether the proposed substitution is, in fact, an equal is to be determined by the Requesting Department. All other competitive solicitations responses received will be listed and submitted to the Requesting Department.

- (h) Reviews all requests for contracts for goods and services prior to submission to the BOCC for review and execution.
- (i) Issues purchase orders in response to request to purchase unless the item is below \$1,000.01 dollar value or the purchase has been made through a competitive solicitation which has been approved by the BOCC.

D. Requesting Department

1. Must submit an electronic “Request to Purchase” to the Purchasing Section for all purchases of goods and services that exceed \$1,000.
2. Provides adequate description of needed items so the Purchasing Section can assist in preparing specifications to procure the desired items and/or services.
3. Provides written justification for a special type of item and/or “Sole Source” vendor for which only the BOCC, County Administrator or Director of Purchasing may approve at the appropriate level of purchasing authority. The Purchasing Section must in all cases evaluate the request for any such commodity, service or source.
4. Ensures that internal controls are present within the department that include, at a minimum, that there are a minimum of two people involved in the initiation of the Request to Purchase through the verification of receipt of goods or services with a person other than the one who orders the item verifying receipt by signing the invoice, bill of lading or other similar document. For goods that are purchased in any individual purchase order for which the total dollar amount equals or exceeds \$2,500, internal controls should be increased either through additional employees involved in the process and/or through documentation of the receipt and application of the goods.
5. Secures P.O.’s on all purchases made during an emergency and must ensure that P.O.’s are signed by the required authority. Provides the E.O.C. with a list of P.O. numbers to be utilized in the event that the normal County operations are closed.
6. The Requesting Department or the vendor must complete a “Vendor File Request Form (attached hereto as Attachment D.5.)” and “W-9” or “W-8” for foreign corporations) if such documentation is not already maintained in the finance system. The Requesting Department is responsible for verifying that new vendor(s) are set up correctly in the finance system and must verify that the vendor information is correct in the finance system. Whenever there is a change of the vendor name, a new “Vendor File request form” must be submitted along with the new “W-9” to Finance and a new vendor number must be obtained. In both cases, a copy of the W-9 and a print screen of the vendor file from the finance system along with the newly obtained W-9 must also be submitted by the Requesting Department to the Purchasing Department. NOTE: Internal Revenue Service regulations require that the vendor name (payee) on the check must exactly match the name shown on the invoice; contract (if there is a contract); audit slip; W-9; and Vendor File request form.

7. All Task Orders must be reviewed and approved by the County Attorney's office prior to execution. When a contractor or consultant is contracted to perform work pursuant to a Task Order, the Task Order shall be considered an independent contract in relation to, but separate from, an existing principal contract when determining the total cumulative value of \$50,000.00. Any Task Order that is less than \$50,000.00 may be approved according to the Purchasing Authority provided in 2.F.1. Any Task Order for individual construction or consultant services that is \$50,000.00 or more must go to the Board of County Commissioners as a Board agenda item for the Board's approval. When the cumulative value of all Task Orders relating to any individual principal contract is \$50,000.00 or more, an agenda item notifying the Board and summarizing the Task Orders and cumulative value must be placed on the Board's agenda.

3. A contract may not be split into multiple contracts for services, goods or public improvement for the purposes of evading the requirements of this section. Where a procurement of services, goods or public improvement are cyclical in nature or have to be procured in phases, the Requesting Department shall, to the maximum extent practicable, contract for the full scope of the service, good or public improvement based on an estimate of the full scope of service, good or public improvement anticipated to be required at the time of bidding. For purposes of this section when consecutive multiple contracts for services, goods or public improvement are issued because the full scope of the service, good or public improvement are unknown or cannot be determined or is a function of the funding source (e.g. grant funding is only available for a portion and further grant funding is unknown) or as a result of other agency requirements (e.g. sewer connection notices), such contracts shall not be considered as split and each contract shall stand alone for purposes of purchasing level classification.
4. The following purchase thresholds shall be applied to all purchases based on the cumulative value of the purchase regardless of whether the purchase is a one-time, one event, purchase or a recurring, multiple event purchase which may exceed a 12 month period.
5. The actual amount of the invoice, bill of lading or similar document shall not exceed the purchase order amount by more than 20%.

G. Signature Authority for Agreements

Only the BOCC has the authority to approve and enter into multi-year agreements and to obligate funds based on budget appropriation approval, except that the County Administrator has the authority to execute multi-year agreements only when the total cumulative contract amount is less than \$50,000.00. If the County Administrator authorizes a person to act as a designee, such person shall comply with Section 112.3145, Florida Statutes and the financial disclosure requirements set forth therein.

All contracts/agreements or leases will be in a form approved by the County Attorney's Office **prior** to execution. The County Attorney may require approval or ratification of an agreement by the BOCC.

All executed agreements/contracts or leases must be furnished to the Clerk for record keeping and retention purposes.

Contract amendments/contract extensions: Contract amendments which provide for the alteration of specifications, extensions of delivery dates and performance time or similar provisions of a contract without changing the scope of the project, may be approved by the County Administrator (or his designee) if the value of the amendment is less than \$50,000.00.

Contract Extensions: The County Administrator (or his designee) shall have the authority to execute extension(s) that do not exceed six months (cumulatively) of previously approved contracts. If the extension is for more than six (6) months then the extension must be approved by the BOCC.

H. Local Preference

It is the policy of Monroe County to provide a local preference in competitive bidding and in obtaining price quotes when required by this Policy. The intent and justification for providing a local preference is set forth in Section 2-349 of the Monroe County Code. A local business, as defined in Section 2-349, may be given a preference of five percent (5%) in obtaining price quotes when pricing is the major consideration and when price quotes are required by this Policy.

I. Non-discrimination

It is the policy of Monroe County to provide equal opportunity to all qualified persons in gaining entry to do business with the County. To help achieve an optimum level of competitiveness, Monroe County does not discriminate on the basis of race, color, sex, national origin, religion, age or disability in its purchase of goods and services.

CHAPTER 3. COMPETITIVE SOLICITATION PROCESS

Any purchase or contract estimated to cost \$50,000.00 or greater shall be awarded by competitive solicitation, unless the purchase or contract is for goods and services as set forth in Monroe County Code Section 2-347(e)(2), (e)(3) and (e)(5) and is otherwise authorized by the BOCC and in compliance with the requirements of this Policy. For step-by-step procedures concerning the

Competitive Solicitation Process, please refer to *Monroe County Administrative Instruction # 4802, Competitive Solicitation Process*.

Competitive Solicitation specifications should be written broadly enough to encourage a broad range of responses. Competitive solicitation specifications should not be written to steer prospective responders toward the competitive solicitation or "rig" the competitive solicitation for any one particular vendor. It is the responsibility of the Requesting Department to obtain the approved competitive solicitation from the reviewing attorney (either physically or electronically).
2. **Advertisement:** Following legal approval by the reviewing attorney, the County Attorney's Office will obtain an assigned opening date from Purchasing. The County Attorney's Office will prepare and transmit the Notice inviting competitive solicitation for publication one time in the Key West Citizen, as the local newspaper qualifying under Florida Statutes Chapter 50.031, and, per BOCC direction, one time in the Middle and Upper Keys area newspapers (Keynoter and Reporter). The Notice of competitive solicitation shall also be posted to the County's website. Following transmittal of the Notice to the newspapers by the County Attorney's Office requesting publication, the County Attorney's Office will return the executed original Memorandum to the Requesting Department. It is the responsibility of the Requesting Department to send: 1) the executed original *Memorandum of Request for Competitive Solicitations* 2) a CD containing a copy of the final approved competitive solicitation (in .pdf format) and the Notice (as it will publish and in Word format), and 3) one (1) paper copy of the approved competitive solicitation and the Notice, to the Purchasing Office in time for the competitive solicitation to be uploaded to Demandstar prior to first publication of the Notice in the newspapers.

The notice shall also be publicly posted by the Purchasing Office in a consistent public location at least twenty-one (21) days preceding the last day established for the receipt of competitive solicitations. The Purchasing Office will be responsible for ensuring all competitive solicitation documents are sent to Onvia by DemandStar for distribution.

- 3. **Scope of Notice:** The public notice required herein shall include a general description of the articles to be purchased or sold, shall state where competitive solicitation instructions and specifications may be secured, and the time and place for opening competitive solicitations. Sample *Notice of Request for Competitive Solicitation* is attached as Attachment B or see Administrative Instruction #4802, *Competitive Solicitation Process*.
- 4. All competitive solicitations received must remain valid for a minimum period of ninety (90) days from the competitive solicitation opening.
- 5. **Bid Security Deposit:**

Construction Projects.

Each bid to a competitive solicitation for a construction project estimated to be \$200,000.00 or more must be accompanied by a good faith bid security in an amount equal to five percent (5%) of the bid price, by way of a bid bond from a surety insurer authorized to do business in Florida as a surety or any method permitted in Section 255.051, Florida Statutes and as amended, pursuant to Monroe County Code Section 2-347(i). If the security is in the form of a check or draft, it shall be made payable to Monroe County BOCC. The County Administrator or his designee shall have discretion to require a good faith bid security for construction projects estimated to be less than \$200,000.00. A construction project may not be divided into subparts to avoid the requirement of the bid security.

Water System or Sewer Improvements.

Each bid to a competitive solicitation for construction of water system improvements or sewer improvements shall comply with sections 153.10(3) and (4), Florida Statutes and as amended.

Bid Security Forfeiture and Return.

Bid securities may remain in the custody of the County OMB for up to 90 days from the bid opening date or until forfeited or released. The bid security of the successful bidder shall be returned to the bidder after (a) the bidder executes the contract (b) delivers a good and sufficient performance bond, payment bond and required proof of insurance as may be required in the contract documents and (c) commences performance of the contract. If after the BOCC accepts the bid to a competitive solicitation the successful bidder refuses or is unable to execute the contract, to provide the required contract bonds or proof of insurance, or commence performance, then the bid security will be forfeited to, and become the property of, the county as liquidated damages for the county's loss of bargain.

The bid security of unsuccessful bidders may be returned to the bidder when the award of bid is made and the successful bidder executes the contract, or if all bids have been rejected. Bid securities in the County's possession for more than 90 days from the bid opening date shall be returned to unsuccessful bidders in accordance with Monroe County Code Section 2-347(i).

Bidders may withdraw their bid and request, in writing, an earlier return of their bid security under the conditions set forth in Monroe County Code Section 2-347(i)(1); however, this action removes the bidder from further consideration should the lower bidders decline the award or withdraw their bids.

6. **Addenda:** *An addendum to a specification* shall be defined as an addition or change in the already prepared specifications for which an invitation has been mailed for formal quotations or an announcement has been posted for competitive solicitation.

- a) All Addenda must be approved by both legal and the Requesting Department prior to submission to the Purchasing for posting on Demandstar. An *Approval to Issue Addendum Form* (See *Attachment B.1.*, must be originally executed by the reviewing attorney and the Department Director of the Requesting Department. The executed *Approval to Issue Addendum Form* must be attached to the Addenda upon receipt by Purchasing for execution by the Purchasing Director or designee. The executed original *Approval to Issue Addendum Form* must be retained with the related competitive solicitation in Purchasing. The addendum shall clearly point out any addition or change to the specifications.

Addenda must be posted and available for viewing on Demandstar no later than five (5) business days prior to the advertised opening (not counting the day of the opening) and/or in compliance with any other applicable requirements unique to each competitive solicitation.

- b) The Purchasing Office shall be responsible for notifying all prospective responders who have received specifications of any issued addenda in writing five (5) calendar days prior to the competitive solicitation opening date (also see Administrative Instruction #4802, *Competitive Solicitation Process*). Specifications and addenda in the possession of the Purchasing

Office are controlling.

- c) Each responder shall examine all competitive solicitation documents and shall judge all matters relating to the adequacy and accuracy of such documents. Any inquiries, suggestions, or requests concerning interpretation, clarification, or additional information pertaining to the competitive solicitation shall be made to the Requesting Department. The issuance of a written addendum is the only official method whereby interpretation, clarification or additional information can be given. If any addenda are issued, Monroe County will attempt to notify all prospective responders who have secured the same.

D. *Rejection of Responses*

1. The BOCC shall have the authority to reject any and all responses to a competitive solicitation request.
2. If the lowest, responsible response exceeds the budgeted amount and the BOCC does not appropriate additional funds, the requesting authority may solicit approval from the BOCC to amend the project specifications and re-advertise the competitive solicitation.
3. If no response is received, the BOCC may be requested to authorize the County Administrator to undertake a different level of competitive selection, including but not limited to a request for letters of interest, and, upon receipt of any response to get approval from the BOCC to proceed with a second mechanism, which may include direct negotiations to purchase the item/service. The BOCC would then consider the results of said negotiations and determine whether acquisition of these goods or services at the negotiated price would be in the County's best interest, and if so, authorize the requisition.
4. Late responses. Any and all responses received after the time and date of acceptance will not be accepted.

E. *Waiver of Irregularities*

The BOCC shall have the authority to waive any and all irregularities in any and all formal bids, proposals or other responses to competitive solicitation requests.

F. *Award of Contract*

The Mayor, when authorized by majority vote of the BOCC, shall execute formal contracts valued at \$50,000.00 or more having a binding effect upon the County.

CHAPTER 4. PURCHASE OF PROFESSIONAL SERVICES

A. *Definition*

A professional service shall be defined as assistance obtained in support of County operations from an independent contractor in one or more of the following professional fields:

1. Appraisal Services - real and personal property appraisers (as per Chapter 125.355, F.S.).
2. Architecture, professional engineering, landscape architecture, or registered land surveying

services (as per Chapter 287.055, F.S.).

3. Audit and Accounting Services - auditors and accountants (excepting the selection of the annual auditor which shall be conducted as per Chapter 11.45, F.S.).
4. Consultants - planning, management, technological or scientific advisors.
5. Financial Services - bond counsel, rating and underwriting, financial advisor, and investment services.
6. Legal Services - attorneys and legal professionals authorized by the Office of the County Attorney, including expert witnesses, conflict counsel, Division of Administrative Hearings (DOAH) services, lobbying services, investigative services, interpreter services, court reporting services or advertising services and any other services required by the Office of the County Attorney.
7. Medical Services - medicine, psychiatry, dental, hospital, and other health professionals.

B. Methods of Acquisition

Because differences in price may only be a minor concern compared to qualitative considerations, professional services may be exempted by the BOCC from the competitive bidding process. When purchasing professional services below \$50,000.00, obtaining price quotes as set forth in Chapter 2 of this policy is strongly recommended, but are not required. The Requesting Department should document why price quotes are not provided. The County Administrator may require competitive solicitation in the form of an RFQ or RFP.

Professional services, subject to the competitive solicitation process, will be typically acquired through one of the following methods:

1. Competitive Selection and Negotiation - per Chapter 287.055, (4) & (5) F.S. Consultants Competitive Negotiations Act ("CCNA").
2. Request for Qualifications (RFQ).
 - a) Responding firms are ranked based upon criteria set forth in the RFQ. If presentations are requested by the County they will be held in compliance with F.S. 286.0113.
 - b) The County will negotiate a contract with the firm selected by the BOCC as the highest ranked firm/individual.
 - c) The negotiated contract will be reviewed and placed before the BOCC for approval.

Requests for outside legal services will be referred to the County Administrator and the County Attorney for review and comment as to whether said services are necessary and/or appropriate. Requests for outside legal services may be exempted from formal competition by the BOCC at the request of the County Administrator or County Attorney.

C. Continuing Contracts

Definition:

A continuing contract is defined as a contract for professional services in accordance with all the procedures of Florida Statute Sec. 287.055 between the County and a firm whereby the firm provides professional services for professional architects, engineers, landscaping, or surveying and mapping services for projects in which the estimated construction cost of each individual project under the contract does not exceed the amount of Two Million and 00/100 (\$2,000,000.00) Dollars, or for a study activity if the fee for professional services for each individual study under the contract does not exceed Two Hundred Thousand and 00/100 (\$200,000.00) Dollars, for work of a specified nature as outlined in the contract required by the County, with the contract being for a fixed term or with no time limitation except that the contract must provide a termination clause. Firms providing professional services under the continuing contracts shall not be required to bid against one another.

Competitive Selection of contractors for continuing contracts:

Continuing contracts shall be chosen by the competitive selection process. During the selection process, a selection committee shall rank the professional service contractors. The Board of County Commissioners shall approve the award of each contract for a general continuing contract. The number of contractors to be chosen shall be at the discretion of the Board of County Commissioners.

Award of individual contracts to contractors:

1. Separate contracts or task orders for each individual project shall be awarded among the contractors who have been awarded a general continuing contract.
2. Separate contracts or task orders for each individual project shall be approved by the Board of County Commissioners when required under the purchasing policy.
3. The separate contracts or task orders for each individual project shall be awarded on a rotating basis beginning with the top ranked professional service contractor and continuing to the next contractor in ranked order.
4. When the County has identified an appropriate project, County staff shall consult with the next ranked contractor in rotation and shall negotiate the terms of a contract for the specific individual project. If the County and the next ranked contractor in rotation are unable to come to agreement as to the terms of a contract, the contractor shall be placed back in rotation and the staff shall move on to the next ranked contractor in rotation to begin negotiations, and the process shall continue until an agreement can be reached.
5. The order of rotation may be changed by the County Administrator, or the Deputy County Administrator, for the following reasons:
 - a) If the next ranked contractor is not available within the time required by the County for an upcoming project, the contract may be awarded to the next contractor in rotation who is available; and
 - b) If a project requires a particular skill set or expertise which, in the discretion of the County Administrator or his designee, is more suitable to a contractor who is not

- next ranked in the order of rotation, the County Administrator may award the project regardless of rank order; and
- c) In case of emergency, the County is not required to follow the order of rotation in order to accomplish the necessities of the situation. For purposes of this policy, emergency shall be defined as in the Monroe County Code at Section 2-347 (k) (1).
 - d) When a contractor is not awarded a contract due to the reasons stated herein, that contractor shall be given the next project in rotation for which he is available and possesses the requisite expertise.
- 6. It is the intent ~~of that~~ the Board of County Commissioners that the contracts be ranked and rotated in order of ranking so that the award of contracts are distributed among the contractors and no particular contractor shall be given a contract out of order except for the reasons stated above.
 - 7. The County Administrator shall seek approval and shall provide an explanation to the Board of County Commissioners when a contract or task order is to be awarded out of the ranked order of rotation.

The design criteria package shall specify such performance-based criteria for the public construction

project, including, but not limited to, the legal description of the site, survey information concerning the site interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, storm water retention and disposal, and parking requirements, as may be applicable to the project.

6. The BOCC may declare a public emergency, where appropriate and authorize the using Department to negotiate an agreement for BOCC approval with the best-qualified design-build firm available at that time.
7. In lieu of the design/build contractor selection procedure described above, the Department may use a process established by statute and authorized by the BOCC, however, for all design/build competitive selection documents the following shall apply:

- a) Proposals must consist of a *technical proposal* and a *price proposal*. The two proposals must be segmented into separate sealed packages and clearly marked
 - (1) The *technical proposal* must include all the information requested in response to the scope of services described in the design criteria package.

However, this section does not apply to transportation projects for which federal aid funds are available.

F. Preference to businesses with drug-free workplace programs (F.S. 287.087)

Whenever two or more responses that are equal with respect to price, quality, and service are received by the County for the procurement of commodities or contractual services, a response received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

CHAPTER 7. EXCLUSIONS

A. Sole Source

Purchase of commodities and services from a single source may be exempted from formal competition under the following conditions:

1. All Sole Source purchases are subject to approval by either the BOCC, County Administrator, Assistant County Administrators or Purchasing Director in accordance with purchasing level authority. The Purchasing Office must in all cases evaluate the request for such commodity, service or source. The Purchasing Director shall be authorized, after initial sole source certification, to make additional purchases from a sole source vendor for not more than one year or until such time as contrary evidence is presented regarding sole source eligibility, whichever period is less.
2. There must be a documented determination from the Requesting Department or person that there is no other source readily available prior to the initiation of the sole source procurement.
 - a) The Requesting Department shall document the search conducted to ascertain that there is no other source available. The search shall include phone calls, e-mails, and letters to procurement offices or the Requesting Department's counterpart in other Florida counties as well as to entities listed in the County's vendor list and the phonebooks for Monroe County and Miami-Dade County in business classifications which might reasonably be expected to provide the goods or

services desired. The documentation shall include a log of phone calls made and the emails and letters sent with a compilation of results from all phone calls, responding letters and other correspondence.

- b) Where the procurement itself, due to the nature of the goods or services (i.e. in order to obtain conformity to existing contracted goods or services, in order to avoid the loss of warranty coverage, proprietary licensing, equipment capability, etc.), dictates sole source acquisition, the Requesting Department shall provide written justification as to the sole source nature of the procurement.
- c) Upon approval from the BOCC, County Administrator, or Purchasing Director that the proposed provider is a sole source provider, the Requesting Department may proceed with the procurement process.

B. Emergency Purchases

The term “emergency” is as defined in Section 2-347(k)(1) of the Monroe County Code.

Purchase of commodities and services in the event of a public emergency may be obtained under the following conditions:

- 1. The public emergency for the requirements will not permit a delay resulting from competitive solicitation.
- 2. With respect to an emergency as defined in Section 2-347(k)(1)a.-c. of the Monroe County Code:
 - a) Where the value of the goods or services to be purchased is less than \$50,000.00, emergency purchases may be approved up to the spending levels outlined in Chapter 2 Section F, above without the need for obtaining competitive price quotes.
 - b) Where the value of the goods or services to be purchased equals or exceeds \$50,000.00, the purchase may be approved by the Mayor, or if the Mayor is not available then the Mayor Pro Tem, or if the Mayor and the Mayor Pro Tem are not available then County Commissioners in order of priority based on longest consecutive tenure on the Board of County Commission, but the purchase must be ratified after-the-fact by the Board of County Commissioners at the next practicable meeting of the BOCC.
- 3. With respect to an emergency as defined in Section 2-347(k)(1)d. of the Monroe County Code, the purchase may be approved up to the spending levels outlined in Chapter 2 of this Manual, including the requirement to obtain competitive price quotes, where necessary.
- 4. Where the purchase of goods or services requires a contract where the cumulative total value per fiscal year is \$50,000.00 or more, the contract must be ratified after-the-fact by the Board of County Commissioners at the next practicable meeting of the BOCC.

5. Authorization During Normal Business Hours. In the case of emergencies that require the immediate purchase of goods, equipment, or services, the County Administrator, Assistant County Administrator, Purchasing Director, Department Director, or a properly authorized designee shall be empowered to secure such goods or services without competitive selection. In this event, all measures reasonably possible under the circumstances shall be taken to assure the maximum cost benefit to the County of the goods or services procured.
6. Authorization Outside of Normal Business Hours. A Department Director, during non-business hours, is authorized to make purchases without competitive solicitation, when an emergency arises.
7. Documentation and Approval. Documentation for emergency purchases pertaining to the above shall be submitted to the Purchasing Office with a detailed explanation, and support material attached, if applicable, within ten (10) workdays after the event occurred. Emergency purchases below the competitive solicitation thresholds shall be approved by the County Administrator after-the-fact. All emergency purchases equal to or exceeding \$50,000.00 must be approved by the BOCC after-the-fact.
8. All emergency purchases are subject to approval by either the BOCC, County Administrator, Assistant County Administrator or Director of Purchasing at the authorized level of authority. Any waiver of competition in a specific instance shall not serve to waive competition of future purchases of a similar or exact nature.

Emergency purchases are to be used only when unforeseen circumstances occur. Poor planning does not constitute an emergency.

C. Cooperative Purchasing

1. **State and Federal Contracts.** Purchases equal to \$50,000.00 or more from vendors holding current "State" and Government Services Administration herein after ("GSA") contracts are exempted from the competitive bidding process. However, before any purchase is made through an existing contract, the Requesting Department, if directed by the Purchasing Director or County Administrator, must first contact other South Florida vendors in order to determine if the goods or services sought are available at a lower price than the price(s) of the existing contract. If the goods or services are available from another vendor at a price lower than the price of the existing contract, then the contract for the goods or services must be awarded to that vendor. The purchase of the goods or services sought may be made through the existing contract if none of the other vendors contacted by the Requesting Department offered the goods or services at a price lower than the price of the existing contract. The Purchasing Director will review and verify the Requesting Department's information or documentation.
2. **Other Public Procurement Units.** Requesting Departments are authorized to purchase goods and services from cooperative purchasing ventures run by other units of

governments when the best interests of the County are served. All purchases made through this section shall be from contracts awarded through full and open competition, equivalent with the methods set forth in this policy, and shall be exempt from further competitive procurement process set forth in this policy. The Purchasing Department is also authorized to enter into joint ventures with other local governments in order to create purchasing cooperatives and promote efficient purchases.

D. Previously Approved Projects

Once the BOCC has approved a project, concept, and/or specific capital budget item, subsequent additional, redundant approval by the BOCC is specifically not required for advertisements, Requests for Qualifications (RFQ's) or Request for Bids (RFB's), Request for Proposals (RFP's) or replies.. (BOCC action 5-26-93, Page 93/254 #1).

E. Piggybacking

The County has the option to "piggyback" on another governmental entities' or not for profit association's competitively awarded bid to take advantage of the pricing received:

1. The Requesting Department must first verify specifications and award information and receive permission from both the entity and the vendor to piggyback.
2. Piggyback purchases equal to \$50,000.00 or more are not subject to the competitive solicitation process. However, before any purchase is made through an existing contract, the Requesting Department, if directed by the Purchasing Director or County Administrator, must first contact other South Florida vendors in order to determine if the goods or services sought are available at a lower price than the price(s) of the existing contract. If the goods or services are available from another vendor at a price lower than the price of the existing contract, then the contract for the goods or services must be awarded to that vendor. The purchase of the goods or services sought may be made through the existing contract if none of the other vendors contacted by the Requesting Department offered the goods or services at a price lower than the price of the existing contract. The Purchasing Manager will review and verify the Requesting Department's information or documentation.
3. Conversely, Monroe County will allow other governmental entities to piggyback on Monroe County's quotes when requested.
4. Please note the term "piggyback" only applies when the items(s) or services(s) being purchased are exactly the same as the original award.

CHAPTER 8. BLANKET PURCHASE ORDERS

A Blanket Purchase Order (BPO) is a simplified method of filling anticipated repetitive requirements for supplies or services with qualified vendors during a specified period (not to exceed 12 months or one (1) fiscal year whichever is less). BPOs are designed to reduce administrative costs in accomplishing purchases (up to \$49,999.99) by eliminating the need of issuing individual written purchase orders.

1. BPOs are issued when there are repetitive needs for specific items or services and when the exact quantities and delivery requirements are not known in advance and may vary. A purchase requisition containing (1) description of the required items or services, (2) specified period, and (3) estimated quantities for the specified period, is required to get a pre-priced BPO. BPOs cannot be issued without a maximum dollar amount. A BPO shall be authorized in writing by the Department Director or their designee.

CHAPTER 9. MINORITY BUSINESS ENTERPRISE (MBE), SMALL BUSINESS & DISADVANTAGED BUSINESSES

On all contracts or contract modifications of over \$500,000 (\$1,000,000 for construction) and that have subcontracting possibilities, and for all federally funded contracts, the Purchasing Director and/or the Department having project management/oversight responsibilities, should submit an acceptable subcontracting plan. Under such a plan, maximum practicable opportunities must be afforded to small and small minority firms. This plan must include:

1. Separate percentage goals for using small business concerns and small disadvantaged business concerns.
2. Name of an individual employed who will administer the firm's subcontracting program.
3. Description of efforts to be made to insure that such firms have an equitable opportunity to compete for subcontracts.
4. Assurance that the clause at FAR 52.219-8 will be included in all subcontracts that offer subcontract opportunities (as applicable).
5. Assurance that federally funded contracts comply with the provisions contained therein.
6. Assurance to cooperate on surveys for compliance.

CHAPTER 10. PURCHASE OF INSURANCE

Any purchase of insurance by the Monroe County BOCC shall be treated as the purchase of a commodity and regulated the same, except as set forth below.

The purchase of builder's risk insurance for County projects may be exempt from competitive bidding procedures pursuant to Section 2-347(e)(5)(g.) For the purchase of builder's risk insurance expected to cost less than \$50,000, separate price quotes are not required, but the agent should solicit several insurance companies to ensure that the best price is attained. For the purchase of builder's risk insurance expected to cost more than \$50,000, the County Administrator should authorize the purchase and report to the Monroe County BOCC the purchase of the premiums. It is understood that since the cost of builder's risk policies are included in the overall budget for the project, the cost of premiums will be paid from the funding source for that project which are generally approved by the BOCC as part of the budget process.

The purchase of insurance which is exclusive, due to the unique terms and conditions and/or the detailed coverage required by the County, may also be exempt from competitive bidding procedures pursuant to Section 2-347(e)(5)(g.). Risk should document the reason(s) for the policy being exempt from the competitive bidding procedures. When premiums exceed \$50,000, the Monroe County BOCC should authorize the exemption. In an emergency, i.e. an interruption of an essential government services, the County Administrator may authorize the purchase of the policy and seek ratification from the Monroe County BOCC.

All policies for insurance coverage shall have an initial term and shall thereafter be renewable yearly for up to three (3) additional years with BOCC review.

CHAPTER 11. RECYCLED CONTENT PRODUCTS

The County shall on a continuing basis encourage the use of products and materials with recycled content. Preference shall be given to the procurement of recycled content products and materials when it can be determined that such purchases are cost effective, meet specifications required and are in the best interest of Monroe County.

For the purposes of this section “recycled content” means materials that have been used, recycled and are contained in the products or materials to be procured as “post” recycled. To the extent feasible each department shall keep a compilation of the number and amount of recycled product or materials it purchases each fiscal year.

CHAPTER 12. SURPLUS ITEMS

The objective of this policy is to ensure that all County assets are properly tracked and disposed of in compliance with Florida Statutes.

The following rules apply to all departments in possession of fixed assets belonging to Monroe County. The rules also apply to constitutional officers, contracting parties, and third party entities in possession of fixed assets belonging to Monroe County. (Each such department, or office shall be known as a “using agency”.)

Contracting parties in possession of tangible non-consumable property owned by Monroe County which is no longer used or which has become obsolete, worn out or which the parties believe should be scrapped shall submit reports identifying such property to the department responsible for their contract, which in turn shall forward the reports to the Clerk of the Court, Property Clerk.

1. Each using agency shall assign a person who will be primarily responsible for maintaining the fixed assets of the Department or Office (“Property Custodian”).
2. Classification of Surplus Property:
 - a) Property may be designated as surplus by the using agency for any of the following reasons:
 - (1) It becomes inoperable and cannot be repaired;

- (2) It is more economical to replace the asset than to repair it;
 - (3) Property becomes obsolete;
 - (4) The department or office no longer has need of the item; or
 - (5) It is scheduled for replacement as a matter of policy.
- b) All property that is declared surplus shall be designated into one of four (4) categories:
- (1) Vehicles;
 - (2) Property with a historical purchase value equal to or greater than \$1,000 (fixed asset, with property ID#);
 - (3) Property with a historical purchase value less than \$1,000 (non-fixed asset, no property ID#);
 - (4) Computers, computer-related, and telecommunication equipment.
3. After the property has been placed into a specific category the following procedures will be used for disposition:

(1) Property estimated to have a fair market value equal to or greater than \$5,000 shall be sold by competitive solicitation/public auction to the highest responsible responder after publication of notice of at least one week and not more than two weeks in a newspaper of general circulation within the County; and additional notice if, in the opinion of the using agency, it will serve the best interests of the County.

- (a) **Required forms to initiate the competitive solicitation/public auction of surplus property:** The Property Custodian within the using agency is responsible for preparing and submitting an *Inventory Deletion Request Form (See Attachment B.2.)*, executed by the Property Custodian and the Department Director of the using agency, to the Property Inventory Clerk. **For computer related equipment valued over \$1,000**, the Property Custodian in the using agency is responsible for preparing and submitting the required ***Computer Related Equipment Inventory Deletion Request Form (See Attachment B.3.)***. The Information Technology Department will send the completed form to the Property Inventory Clerk and coordinate directly with the Property Inventory Clerk and the using agency for the competitive solicitation/public auction and/or transfer, donation or disposal of the surplus computer equipment. (See *Administrative Instruction 4725*. Effective June 18, 2012).
- (b) **BOCC must approve the request to advertise for competitive solicitation/public auction for the sale of surplus property.** Upon receipt of the fully executed *Inventory Deletion Request Form* or

Computer Related Equipment Inventory Deletion Request Form, the Property Inventory Clerk or using agency, will place an item on the BOCC agenda for approval of competitive solicitation/public auction for the sale of the surplus items.

- (c) **Scheduling and Coordination of Competitive Solicitation/Public Auction:** Following BOCC approval, the Property Inventory Clerk initiates and coordinates the competitive solicitation process for the sale of surplus property at intervals throughout the year as needed, coordinating with the Property Custodians in each using agency, the County Attorney's Office and the BOCC Purchasing Office. In addition to the Property Inventory Clerk's sale of surplus property, the using agency may schedule and coordinate a competitive solicitation/public auction for the sale of specific surplus property when it is necessary or beneficial for the County.
- (d) **Notice:** At the request of the Property Inventory Clerk or using agency the County Attorney's Office prepares a *Notice of Request for Competitive Solicitation* (see Attachment B, using the surplus property inventory data provided by the Property Inventory Clerk or using agency. The County Attorney's Office transmits the notice requesting publication one time in the Key West Citizen (as the local newspaper qualifying under Florida Statutes Chapter 50.031) and, per BOCC direction, one time in the Middle and Upper Keys area newspapers (Keynoter and Reporter). The Notice shall also be posted to the County's website. The Purchasing Director places the item(s) on DemandStar.
- (e) Once the opening is held and the responses are reviewed, the Property Custodian within the using agency places an item on the BOCC agenda, requesting approval to award/sell specific item(s) to the highest responsible responder and authorizing the County Administrator to sign the *Bill of Sale, Absolute* prepared by the Property Inventory Clerk.
- (f) After payment is received, the Property Inventory Clerk is responsible for preparing and transmitting a *Bill of Sale, Absolute* to the County Attorney's Office for each individual surplus item being sold. The County Attorney's Office transmits the *Bill of Sale, Absolute* to the County Administrator for execution. Upon execution the *Bill of Sale, Absolute* shall be forwarded to the Clerk for recording of the document in BOCC records. The Clerk then transmits the fully executed original *Bill of Sale, Absolute (s)* to the Property Inventory Clerk to transfer title and possession of the item(s) to the successful bidder, coordinating with the using agency as needed. If the item(s) are sold via public auction by an outside vendor retained by the County, the Property Inventory Clerk will

coordinate title transfer and preparation of documents with the vendor and may do so prior to payment to the County and/or in accordance with the public auction vendor's contract.

(2) Assets with a fair market value equal to or greater than \$5,000 for which no bid was received shall again be offered for sale by competitive solicitation. If no acceptable bids are received after a second attempt to sell by competitive solicitation, then the property may be sold by an outside vendor retained by the County for public auction services. Assets with a fair market value lower than \$5,000 for which no bid was received after one attempt to sell by competitive solicitation may be sold by an outside vendor retained by the County for public auction services.

(3) All assets with a fair market value lower than \$5,000 may be sold by competitive solicitation/auction in accordance with the procedure set forth above, or may be donated to another governmental entity or not-for-profit organization as set forth below. Assets with a fair market value equal to or greater than \$5,000 for which no bid was received at competitive solicitation may also be donated to a governmental entity or not-for-profit organization. Assets with a fair market value equal to or greater than \$5,000 may be offer to other government units in the County for sale or donation or may be offered to private nonprofit agencies, prior to being sold by competitive solicitation when it is determined by the BOCC to be in the best interest of the County to do so.

(4) Property estimated to be less than \$5,000 that has a useful life, may, but is not required to, be offered to all other County departments by use of County e-mail for a period of 10 days, on a first come, first serve basis. A Fixed Asset Transfer Form (See Attachment B.4) will be completed by the receiving and transferring department or office and submitted to the Property Inventory Clerk with a copy to Risk Management.

(5) Property which value is estimated by the BOCC to be under \$5,000.00 deemed to have no further use to the County due to obsolescence, inefficiency, or being uneconomical may be donated to another governmental entity within the County, may be donated to a private not-for-profit organization within the County or may be disposed of for value in compliance with 274.06, Florida Statutes and as amended. The determination of property to be disposed of by the BOCC shall be at the election of the BOCC in the reasonable exercise of its discretion pursuant 274.06, Florida Statutes. Property, the value of which the BOCC estimates to be under \$5,000.00, may be disposed of in the most efficient and cost-effective means as determined by the BOCC pursuant to F.S. 274.06.

All assets under a lease agreement will be disposed of in accordance with the terms of the agreement.

(8) If it is determined that the trade-in value is more beneficial to the County, a vehicle or piece of equipment may be used as a trade-in for the purchase of replacement equipment.

(9) If it is determined that it is useful and economical to retain a portion, or a component, of the asset for future use, then the portion or component can be retained and the balance of the asset sold, donated, or destroyed. In such case the portion retained and the portion sold, donated, or destroyed shall be noted on appropriate forms.

4. Subject to the procedures noted above, responsibility for disposition is as follows:

- a) Fleet Management is responsible for the disposition of vehicles and other heavy equipment, excluding Emergency Services, Airports and Social Services Department vehicles. Those Departments are responsible for disposition of their vehicles and are required to follow the surplus property as set forth above.
- b) Property Custodians are responsible for the disposition of fixed assets of any value, other than vehicles, computers, computer-related, and telecommunication equipment.
- c) Information Technology is responsible for the disposition of computers, computer-related, and telecommunication equipment.

5. Employees of Monroe County are expressly forbidden to bid on sales of surplus Monroe County property. No employee's relative, as defined by Florida Statute Section 112.312(21), shall be allowed to bid on surplus property over which the employee had custody or authority to initiate or authorize the decision to surplus.

F.S. 112.312(21):

“Relative,” unless otherwise specified in this part, means an individual who is related to a public officer or employee as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister, grandparent, great grandparent, grandchild, great grandchild, step grandparent, step great grandparent, step grandchild, step great grandchild, person who is engaged to be married to the public officer or employee or who otherwise holds himself or herself out as or is generally known as the person whom the public officer or employee intends to marry or with whom the public officer or employee intends to form a household, or any other natural person having the same legal residence as the public officer or employee.

CHAPTER 13. PURCHASING CARDS (P-CARDS)

The Monroe County Purchasing Card Policy & Procedures establishes detailed procedures and policies which control the use of Purchase Cards. The Purchasing Card Policy & Procedure is to be followed and is attached hereto as ***Attachment C***. There shall be absolutely no personal purchases made with the County issued P-Card.

CHAPTER 14 – FEDERAL FUNDING REQUIREMENTS

This Chapter is provided to ensure that Monroe County has and maintains proper policies and procedures as required by federal awards and consistent with 2 Code of Federal Regulations (C.F.R.) Chapter I, Chapter II, Part 200. All procurements must comply with Florida Statutes, rules and procedures as per 2 C.F.R. §§200.318-200.326.

All Contracts and procurements in which federal funds are used shall include the following provisions: [See 2 CFR part 200 for a more detailed description of the federal provisions]

A. PROCUREMENT STANDARDS (2 C.F.R. §§200.318-200.326)

1. General Rules

These standards apply to procurement of goods or services using federal funds and program income.

The procurement must comply with Non-Federal Entity/Monroe County's procurement procedures which reflect applicable State and local laws and regulations, provided that they conform to applicable Federal law and the standards identified in 2 C.F.R. Part 200.

The Requesting Department, via the designated contract manager, must maintain oversight to ensure that contracts perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders. (2 CFR § 200.318(b))

2. Procurement Documentation:

The County must maintain all procurement records sufficient to detail the history, including all competitive bidding documents and all other documentation relating to the evaluation of the competitive bidding proposals and responses; justification of the award; and approval of the contract price and type. The Requesting Department must complete the Procurement Form(s) (*Attachment E.1 & Attachment E.2 (For purchases through competitive solicitation)*), and submit with the RTP (if Hurricane related, use Hurricane FTP Form *Attachment E.4* and also include Hurricane Audit Slip *Attachment E.5.*). These documents must be maintained in accordance with Chapter 119, Public Records Law and the Florida Department of State, Division of Library and Information Services, General Records Schedules GS1-SL for State and Local Government Agencies.

3. Conflict of Interest:

The *Monroe County Personnel Policies and Procedures Manual* setting forth written standards of conduct, including conflict of interest, and governing the actions of County employees shall be followed at all times along with the *Monroe County Administrative Instruction 4301.9, Basic Procedures for Grant Administration*, which set forth additional instructions relating to Federal rules and guidelines. No employee, officer or agent may participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated in the contract, has a financial or other interest

in or tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the County may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, in accordance with the Personal Policies and Procedures, a gift of \$25.00 or less is considered non substantial financial interest or an unsolicited item of nominal value. County Employees, officers or agents that violate the County standards of conduct will be subject for disciplinary actions as set forth in more detail in the Personnel Policies and Procedures Manual. (2 CFR § 200.318(c)(1), 200.318(c)(2))

4. Avoidance of unnecessary or duplicative items:

The Office of Management and Budget (OMB) must review expenditures to avoid the acquisition of unnecessary or duplicative items; consider consolidating or breaking out procurements to obtain a more economical purchase; and where appropriate analyze lease versus purchase alternatives or other analysis to determine the most economical approach. OMB should foster greater economy and efficiency, and promote cost-effective use of shared services with the Federal Government and state and local government entities through interlocal agreements or other inter-entity agreements, including use of Federal excess and surplus property in lieu of purchasing new equipment and property. (2 CFR §§200.318(d), 200.318(e), 200.318(f)).

5. Contracts may only be awarded to responsible vendor/contractors:

The County must award contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, including County laws and policies, record of past performance, and financial and technical resources. The Requesting Department must complete the Debarred, Suspended, or Ineligible Entity Checklist (*Attachment E.3*) (2 C.F.R.200.318(h)) (Note: No contract i) equal to or over \$25,000, ii) for audit services, or iii) for which any prior agency approval is required, may be awarded to an entity that is suspended or debarred pursuant to 2 C.F.R. Part 180. 2 C.F.R. §180.220(b))

B. COMPETITION REQUIREMENTS

1. Full and Open Competition: As per 2 C.F.R. §200.319, and consistent with Monroe County Code §2-347(a) and the *Mission Statement* of this Policy, all procurement transactions must be conducted in a manner providing for full and open competition, which prohibits placing unreasonable requirements, unnecessary experience or excessive bonding on firms in order for them to qualify to do business.

County staff shall ensure that procurement transactions do NOT allow: noncompetitive pricing practices between firms and affiliated companies; noncompetitive contracts to consultants that are no retainer contracts (e.g. out-of-scope work added to the consultant's work retainer); specifying only a "brand name" product instead of allow "an equal" product; and any arbitrary action in the procurement process. 2 C.F.R. §319(a)

2. Prohibition on Bidding: The contractor that is bidding on the contract cannot be involved with developing or drafting the specifications, requirements, statement of work, invitation for bids or request for proposals (2 CFR § 200.319(a)).

3. No State or Local Preference*: No preference shall be included in the competitive solicitation or in the procurement transactions (2 CFR § 200.319(b)). *Please note that the RESTORE ACT allows for state preference.

4. Solicitation Requirements: The solicitation shall include a clear and accurate description of the technical requirements for the material, product, or service to be procured, including requirements that must be fulfilled by offerors/vendors and the evaluation factors/criteria, e.g. Identify if price or quality is most important in the solicitation. If the County uses prequalified persons or firms, the contract for services or list must be current and include at least 3 prequalified persons or firms and not preclude any potential bidders from qualifying during the solicitation period. 2 C.F.R. §§319(c)-319(d)

C. METHOD OF PROCUREMENT REQUIREMENTS

As per 2 CFR § 200.320, one of the following methods must be used when procuring goods or services with any federal funds:

1. Formal Procurement -Over \$50,000.00 (2 C.F.R. §200.320(c))

a. Sealed Bids: Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming to all the material terms and conditions of the invitation for bids, is the lowest in price. Sealed bidding is the preferred method for procuring construction. [Federal Note: Sealed bidding is generally used where price is the most important evaluation factor for the County.] Contract award under the sealed bidding method of procurement is made to the bidder submitting the lowest priced, responsive and responsible bid.

i. Responsive and Responsible Defined: “Responsive” refers to whether the bidder meets all the material requirement of the Request for Bids (RFB)/invitation for bid (IFB), while “Responsibility” refers to contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, records of past performance, and financial and technical resources. [See 2 C.F.R. §200. 318(h)]

ii. Conditions of Sealed Bids: All of the following conditions must be present to use sealed bids: i) a complete, adequate, and realistic specification or purchase description is available ii) two or more responsible bidders are willing and able to compete effectively for the business iii) the procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price. [2 C.F.R. §200.320(c)(1)]

iii. Requirements for Sealed Bids: If sealed bids are used, the following requirements apply:

- 1) The County must solicit bids from an adequate number of known supplies (via DemandStar and if applicable to a list of suppliers to be provided to OMB from the Requesting Department), providing sufficient response time prior to the date set for opening the bids and must be publically advertised (refer to time frame set forth in Chapter 3, Paragraph A. 2.;
- 2) The competitive solicitation should include any specifications and pertinent attachments, and define the items or services in order for the bidder to properly respond;
- 3) Set forth the Time and Place for the bids to be publicly opened;
- 4) Award a firm fixed price contract in writing to the lowest responsive and responsible bidder;
- 5) If any bids are rejected, there must be a sound documented reason supporting the rejection [2 C.F.R. §200.320((c)(2))].

- iv. Cost or Price Analysis As per 2 CFR §200.323, if the contract amount (including contract modification) exceeds \$50,000.00 the County must perform a cost or price analysis.

A Cost or Price Analysis must be conducted by the Requesting Department. (2 C.F.R. §200.323(a)) The degree of the analysis depends on the nature of the procurement; however, should at least start with an independent estimate established before receipt of responses/offers.

Price & Cost Analysis Description:

- a) “Price Analysis” is the process of examining and evaluating proposed price without evaluating its separate cost elements and proposed profit. Techniques include: comparison of amounts from responses received, comparison of proposed prices to historical prices paid, comparison with published price lists, comparison to your independent estimate. Price Analysis is the preferred method to be used by the Requesting Department.
- b) “Cost Analysis” is the review and evaluation of any separate cost elements and profit or fee in an respondents’ proposal, as needed to determine a fair and reasonable price and the application of judgement to determine how well the proposed costs represent what the cost of the contract should be. The Requesting Department must negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor’s investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work. (2 C.F.R. §200.323(b)) Cost of prices based on estimated cost for contracts under the Federal award are allowable only to the extent that cost incurred or cost estimates included in the negotiated prices would be allowable for the County under Subpart E—Cost Principles of this part. The County/non-Federal entity may reference its own cost principles that comply with the Federal cost principles. (2 C.F.R. §200.323(c))

- c) Cost plus a percentage of cost and percentage of construction cost methods of contracting must not be used. (2 C.F.R. §200.323(d)).
- b. **Procurement by competitive proposals:** The technique of competitive proposals is normally conducted with more than one source submitting a response/offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. (2 C.F.R. §200.320(d))
 - i. **Requirements for Competitive Proposals:** If Procurement by competitive proposals are used, the following requirements apply: 1) The Request for Proposals (RFP) must be publicized, i.e. as per Chapter 3, Paragraph A. 2.;
 2) identify all evaluation factors and their relative importance, i.e. evaluation/selection factors and points/percentage allocation for each factor;
 3) solicit proposals from an adequate number of qualified sources (via DemandStar and if applicable to a list of qualified sources to be provided to OMB from the Requesting Department);
 4) the method for conducting technical evaluations of the proposal received and for selecting recipients as outlined in Chapter 3, Paragraph B should be followed and when appropriate should be outlined in the RFP;
 5) The County shall award the contract to the responsible firm whose proposal is most advantageous to the program/project, with price and other factors considered.

[Federal Note regarding architectural/engineering (A/E) professional services: the County may use competitive proposal procedures, i.e. Request for Qualifications (RFQs) and the Consultants Competitive Negotiation Act (CCNA), for qualifications-based procurement of A/E professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selector factor, can only be used in procurement of A/E professional services. It cannot be used to purchases other types of services though A/E firms that are a potential source to perform the proposed effort. 2 C.F.R. §200.320(d)(5)]

- 2. **Informal Procurement- Over \$3,500.00 up to \$49,999.99 Small purchases procedures:** Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that *do not cost more than the lesser of either* (1) the Simplified Acquisition threshold (i.e. \$50,000.00), or (2) whatever amount State (if applicable F.S. Statute requirement) or Monroe County's competitive procurement rules (i.e. \$49,999.99 or less). Price and rate quotations must be obtained from an adequate number of qualified sources. The Requesting Department should to the maximum extent possible obtain 3 or more price quotes and give consideration to the amount of the purchase when obtaining rate and price quotes. When purchasing complex supplies or services, please document and include justification for the number of price quotes obtained. (NOTE: FEMA has determined that for simplified purchase procedures, an adequate number of qualified sources are considered to be three (3)). The Requesting Department should follow the procedure as set forth in Chapter 2 F. 2. and ensure that proper documentation is maintained in this regard to justify the purchase. (2 C.F.R. §200.320(b))

3. Micro-purchases: Up to \$3,500.00 (i.e. purchases below \$3,500.00, See 2 CFR § 200.67) Micro-purchases are awarded without soliciting competitive quotations (i.e. price quotes) if the Requesting Department considers the price to be reasonable. [Note: Action to verify the reasonableness, need only be taken if the purchasing Director suspects or has information to indicate that price is not reasonable or the item is such that no comparable pricing information is readily available to the Requesting Department.] The Requesting Department, to the extent practicable, should distribute micro-purchases equitably among qualified suppliers. Documentation of the purchase in the form of a RTP, when applicable, is necessary to the extent to demonstrate that it is an allowable cost for performance of the Federal award (as per 2 C.F.R. §200.403) and to keep record of equal distribution to qualified suppliers. 2 C.F.R. §200.320(a)

4. Noncompetitive proposals: [2 C.F.R. §200.320(f)] [Note: this does not apply to Micro-purchases; RESTORE ACT/ Department of Treasury has sole source section that provides more detail and should be referred to when using RESTORE ACT funds]

i. Procurement by noncompetitive proposals: Procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

1) the item is available from a single source; (substantial duplication of services to reach other sources is justification for proceeding with sole source, but this must be sufficiently documented by the Requesting Department and provided to OMB/Purchasing Director)

2) the public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation [Federal Note: Exigency” is generally defined as something that is necessary in a particular situation that requires or demands immediate aid or action. By comparison, the term “emergency” means an unexpected and usually dangerous situation that calls for immediate action. Emergency will typically involve a threat to the public or private property or some other form of dangerous situation, whereas an exigency is not necessarily limited.] ;

3) the Federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the County; or

4) after solicitation of a number of sources, a competition is determined inadequate [Before utilizing this exception, the Requesting Department should review the solicitation and the publicizing of the solicitation to ensure that it was not inadvertently drafted in a manner to reduce or eliminate competition, which resulted in the receipt of one or no proposals. If this is found to be the case, the Requesting Department should revise the solicitation and re-publicized the solicitation in order to resolve the competitive concerns. The Requesting Department should also document justification for the noncompetitive procurement and provide to OMB/Purchasing Director].

D. CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN’S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

As per 2 CFR 200.321, the County must take the affirmative steps below and in accordance with Chapter 9- Minority Business Enterprise (MBE), Small business & disadvantaged Business of

this Policy to assure minority businesses, women's business enterprises, and labor surplus area firms are used when possible:

While some of the steps below may be duplicative with those set forth in Chapter 9 of this Policy, the Requesting Department in conjunction with the County's OMB Department shall:

1. Ensure that qualified small and minority businesses, and women's business enterprises are placed on solicitation lists.
2. Ensure that qualified small and minority businesses, and women's business enterprises are solicited whenever they are potential sources, including the list of DemandStar suppliers that are notified of competitive solicitations, the Small Business Administration's Dynamic Small Business Search website, and any additional supplier listed that may be generated.
3. Divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises.
4. Establish delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises.
5. Use the services and assistance, as appropriate, of such organizations as the Small Business Administrator and the Minority Business Development Agency of the Department of Commerce.
6. Require the prime contractor, if subcontractors are to be let, to take the affirmative steps listed above.

[Federal Note: Collectively referred to as "socioeconomic contractors" or "socioeconomic contracting", this requirement does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms; this requirement only imposes an obligation to carry out and document the six identified affirmative steps.].

E. CONTRACTUAL CONSIDERATIONS

Contract(s) must include (See Appendix II to part 200):

- Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. § 6201).
- Suspension and Debarment clause
- Anti-Lobbying Clause; If the contract exceeds \$100,000.00, bidders must submit an Anti-Lobbying Certification.
- *All procurements and contracts, involving the use of materials* (e.g. debris removal and other services), must comply with the requirement to make maximum use of recovered/recycled materials as per 2 CFR §200.317, §200.322, and Chapter 11

(Recycled Content Products) of this Policy and include the recovered/recycled materials clause.

- *If the contract amount exceeds \$150,000.00*, it must address administrative, contractual, or legal remedies in instances where contractor violates or breaches contract terms and provide for sanctions and penalties
- *If the contract amount exceeds \$10,000.00*, it must address termination for cause and for convenience, including the manner by which it will be effected and the basis for settlement.
- Rights to Inventions Made Under Contract or Agreement must be included if applicable. [This is not applicable to Federal Emergency Management Agency (FEMA) funding since it does not award grants of subgrants associated with research and development projects.]
- *If the contract or subgrant amount exceeds \$150,000.00*, it must include the Clean Air Act and the Federal Water Pollution Control Act.

F. CONSTRUCTION CONTRACT CONSIDERATIONS

County Departments that handle construction projects are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. The County may use a time and material type contract only after a determination that no other contract is suitable and if the contract includes a ceiling price, i.e. lump sum/not to exceed amount that the contractor exceeds at its own risk.

Time and Material contracts means that a contract whose cost to the County is the sum of i) the actual cost of materials; and ii) direct labor hours charged at fixed hourly rates that reflect wages, general and administrative expenses, and profit. (Please refer to time and material provisions as set forth in more detail in 2 C.F.R. §200.318(j)) (2 C.F.R. § 200.318(g))

If the contract is for construction, it must include the Equal Opportunity Clause.

For construction contracts exceeding \$2,000 awarded under a Federal grant, it must include a Davis-Bacon Act Clause and Copeland Anti-Kickback Act clause addressing prevailing wage rates. [Note that Public Assistance and Hazard Mitigation Grant Program contracts do NOT require these clauses.]

If the contract amount exceeds \$100,000.00 and involves the employment of mechanics or laborers, it must include a Contract Work Hours and Safety Standards Clause.

Bonding requirements for construction or facility improvement contracts exceeding \$50,000.00

The Requesting Department shall require the procurement to include 1. A bid guarantee from such bidder equivalent to five percent (5%) of the bid price. The “bid guarantee” must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument

accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified. 2. A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract. 3. A payment bond on the part of the contract for 100 percent of the contractor price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

G. CAPITAL EXPENDITURE

Federal Funds may not be expended for capital expenditures for improvements to land, buildings, or equipment which materially increase their value or useful life without prior written approval of the Federal Awarding Agency or pass-through entity. (2 C.F.R. §200.439(3))

1. Insurance Coverage: The County must provide equivalent insurance coverage for real property and equipment acquired or improved with Federal funds as provided to property owned by the County. (2 CFR 200.310)
2. Real Property:
 - a. Title: Subjection to obligations and conditions set forth in 2 CFR 200.311, title to real property acquired or improved under a Federal award will vest upon acquisition to County.
 - b. Use: Except as otherwise provided by Federal Statutes or by the Federal awarding agency, real property will be used for the originally authorized purpose as long as needed for that purpose, during which time the County must not dispose of or encumber its title or other interests.
 - c. Disposition: When real property is no longer needed for the originally authorized purpose, the County must obtain disposition instructions from the Federal awarding agency or pass-through entity. The instruction must provide for one of the following alternatives: 1) Retain title after compensating the Federal awarding agency 2) Sell the property and compensate the Federal awarding agency 3) Transfer title to the Federal awarding agency or third party designated/approved by the Federal awarding agency.
3. Equipment:
 - a. Title: Subjection to obligations and conditions set forth in 2 CFR 200.313, title to equipment acquired under a Federal award will vest upon acquisition to County. Unless a statute specifically authorizes the Federal agency to vest title in the county without further obligations to the Federal Government, the Federal agency elects to do so, the title must be a conditional title. Title must vest in the County subject to the following conditions:
 1. Use of equipment for the authorized purposes of the project during the period of performance, or until the property is no longer needed for the purposes of the project.

2. Not encumber the property without approval of the Federal awarding agency or pass-through entity.
 3. Use and dispose of the property in accordance with 2 CFR 200.313 (b), (c) and (e)
- b. Use: Equipment must be used by the County in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal Award, and the County must not encumber the property without prior approval of the Federal awarding agency. When equipment is no longer needed for the original program or project, the equipment may be used in other activities in the order of priority as set forth in 2 CFR 200.313(c)(i) &(ii)
- c. Management Requirements: Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part under a Federal award, until disposition takes place will, as a minimum meet with following requirements: 1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of funding for the property (including FAIN), who hold title, the acquisition date, and cost of the property, percentage of Federal participation in the project costs for the Federal award under which the property was acquired, the location, use and condition of the property, and any ultimate disposition data include the date of disposal and sale price of the property. 2) a physical inventory of the property must be taken and the results reconciled with the property records at least once every two years. 3) The Requesting Department along with the Property Inventory Clerk should ensure that equipment is part of the control system to ensure adequate safeguards to prevent loss, damage, or theft of the property as set forth in Chapter 12 of the Policy. Any loss, damage or theft must be investigated. 4) The Requesting Department should ensure that adequate maintenance procedure is performed to keep the property in good condition. 5) The County shall follow the process as outlined in Chapter 12 and below to ensure the highest possible return.
- i. The Requesting Department shall coordinate with the Property Inventory Clerk to provide information as needed for their records and to maintain information and comply with the above requirements.
- d. Disposition: When the original or replacement equipment acquired under a Federal award is no longer needed for the original project or program or for other activities currently or previously supported by the Federal awarding agency, except as otherwise provided in Federal statutes, regulations, or Federal awarding agency disposition instructions, the County must request disposition instructions from the Federal awarding agency if required by the terms and conditions of the Federal award. Disposition of the equipment will be made as follows, in accordance with Federal awarding agency disposition instruction:
- 1) Items of equipment with a current per unit fair market value of \$5,000.00 or less may be retained, sold, or otherwise disposed of with no further obligation to the Federal awarding agency.

MONROE COUNTY BOARD OF COUNTY COMMISSIONERS PURCHASING CARD POLICY & PROCEDURES

PURPOSE: To establish those procedures under which departments will control the use of Purchase Cards assigned to and utilized by Board of County Commissioners (BOCC) employees for purchasing non-restricted commodities and services on behalf of the BOCC. These procedures are intended to accomplish the following:

1. To ensure that the procurement with Purchasing Cards is accomplished in accordance with the policy and procedure established within this and other sections of this manual.
2. To enhance productivity, significantly reduce paperwork, improve controls, and overall cost associated with purchases.
3. To ensure appropriate internal controls are established within each department procuring with Purchasing Cards so that they are used only for authorized purposes.
4. To have timely and meaningful management reports which detail and summarize periodic activity.
5. To ensure that the BOCC bears no legal liability from inappropriate use of Purchasing Cards.
6. To provide a convenient method for purchases, consolidate payments, improve customer service, reduce transaction cost, streamline processes, and capture spending information.
7. Ensure prompt payment to vendors.
8. Provide hard data on purchase activity with vendors in order to achieve savings by negotiated discounts based upon the volume of business with the vendor.
9. Specific advantages within the Purchasing Card Program itself include the various ways that limits and restrictions can be established that allow the tailoring of individual cards to fit the needs of the user. This will extend purchasing responsibility to more individuals than in the current purchasing environment, while maintaining or even increasing accountability.

The success of the BOCC Purchasing Card Program relies on the cooperation and professionalism of all personnel associated with this initiative. The most important participant is the Cardholder. The individual user is the key element in making this program successful.

Finally, it is intended that the procedures established herein are viewed as minimum standards for each department, who may wish to establish additional controls beyond those suggested by the procedures.

SCOPE: This procedure will be applicable to those departments who have selected employees to use Purchasing Cards to purchase goods, services, travel and training, or for specific expenditures incurred under conditions approved by these procedures, i.e. emergencies. The decision of when a Purchasing card is issued, to whom, and the dollar limitations will be as requested by the Department Director and approved by the Office of Management and Budget Director and/or the Purchasing Card Program Administrator.

APPLICABILITY: This procedure applies to all departments of the BOCC.

BACKGROUND: A number of unique controls have been developed for this program that does not exist in a traditional credit card environment. These controls ensure that each card can be used only for specific purposes and within specific dollar limits.

In addition, certification of all purchases is required by each Cardholder, with verification performed by their immediate supervisor before payment is made to the vendor.

LIMITS AND RESTRICTIONS: The following limits can be uniquely established:

1. **Spending amount per day, billing cycle, and month.** The Cardholder can only incur transactions totaling a predetermined dollar amount within any defined period.
2. **Number of transactions per day, billing cycle and month.** The Cardholder can only incur a predetermined number of transactions within a predefined period.
3. **Single Purchase Amount.** A limited dollar amount for any single transaction. Cardholders shall not split transactions to stay within their limits.
4. **Merchant Category Codes (MCC).** The MCC are assigned by VISA to a merchant which identifies the primary type of goods or service they provide. The MCC are designed to offer every combination possible and restrictions are imposed at the point of sale if the blocked merchant requests authorization for the transaction.

BENEFITS: There are many benefits to using the Purchasing Card including:

1. **Board of County Commissioners Benefits:**
 - a. Simplifies the purchasing process for the large number of low dollar purchases, freeing up time for large dollar purchases.
 - b. Significantly reduces the overall transaction processing cost per purchase.
 - c. Increased accountability.
 - d. Provides management information electronically which is currently unavailable.

2. **Cardholder Benefits:**
 - a. Convenience of purchasing without an intensive Requisition/Purchase Order processing system.
 - b. Expedites the delivery of goods or services to the job site.
 - c. Expands the list of merchants from whom purchases can be made.
3. **Merchant Benefits:**
 - a. Expedites payment to the merchant within 48 hours
 - b. Reduces merchant maintained “account” paperwork.
 - c. Lowers risk of nonpayment.

TRAINING: All Cardholders will complete training before they are issued a Purchasing Card.

1. Participating in the Purchasing Card Program is a privilege being offered by the BOCC. If the County Administrator through the Purchasing Card Program Administrator becomes aware of any inappropriate or late approval of transactions, Cardholder privileges may be cancelled.
2. It is expected that the Purchasing Card Procedures and training program will assist you in making this program a success.

1. CARDHOLDER SPENDING LIMITS

- 1.1. The Delegation of Authority that has been provided to each Cardholder will set the maximum dollar amount for each single transaction up to a maximum amount of \$2,499.99 at the Director Level for the small non-stocked products and services or for travel and training. Each time a Cardholder makes a purchase with his/her Purchasing Card, this limit will be checked, and the authorization request will be declined should the amount exceed the limitation.
- 1.2. Purchasing Cards issued to the Mayor and County Commissioners, County Administrator, Assistant County Administrators, Department Directors, Purchasing Card Program Administrator, Purchasing Agents/Buyers may be authorized for a higher maximum amount per purchase.
- 1.3. - 3.2. Missing Documentation – Missing documentation may result in the cancellation of the employee’s purchasing card. NO exceptions will be made. Cardholders must keep all receipts, boarding passes and any other documentation such as packing slips registration, etc. as normally required by the Clerk of the Court for payment.
- 3.3. Payment and Invoice Procedures – Purchases made by employees will be paid by the Clerk’s Office once the Cardholder’s certification and the approving official’s verification has been completed and the account number has been assigned for each transaction.
 - 3.3.1. Receipts: The Purchasing Card receipt or vendor’s sales receipt for purchases must be supplied. When purchases are conducted by telephone, you must fill out the Telephone Order Forms and request the vendor to forward the receipt to you. These receipts, and any Telephone Order Forms, are to be stapled to the Daily Purchase Card Purchase Report. **Failure to keep adequate receipts will lead to the loss of Purchasing Card privileges.**
 - 3.3.2. The Purchasing Card issuer, Bank of America, will provide one copy of the billing statement to the Program Card Administrator at the end of the billing cycle. The Cardholder may request a copy of the billing statement at any time. This statement will have a listing of all items processed with the billing cycle. In addition to the monthly billing statement, the Purchase Card Administrator

or designee will periodically review the Cardholder's statement using Bank of America's on-line services.

- 3.3.3. Immediately following a purchase, the Cardholder must submit the charge slip to his/her department's director, via their immediate supervisor. The charge slip must be stapled to a completed Daily Purchase Card Purchase Report. Non-compliance may mean denial of future use, or other disciplinary action.
- 3.3.4. The department's director reviews the Daily Purchase Card Purchase Report received from the Cardholder and where applicable, a "Statement of Dispute", is attached. Once review is completed, the department's director will forward to the Purchasing Card Program Administrator within two (2) days after receipt from Cardholder. The department's director will fax all "Statement of Disputes" to Bank of America.
- 3.3.5. Travel: The Purchasing Card Issuer will issue the "Statement" on a scheduled basis each month. It will be the responsibility of the Cardholder to provide his/her designated representative with the receipt for that month should travel or extended leave be scheduled at the time the statement is due and he/she will not be able to complete the statement. The designated representative will complete and make a copy of the statement for the absent employee, and shall forward the copy of the statement to the Purchasing Card Administrator with the rest of the Cardholder's statements. **The original Cardholder statement will be signed by the employee at the time he/she returns and submitted.**
- 3.3.6. The Purchasing Card Administrator will be responsible for reviewing completed statements from all Cardholders, verifying approval of purchases, resolving any questions on the purchases, and signing the cover letter that accompanies the statements and forwarding completed package with all attachments to the Clerk's Office within seven (7) working days after receipt from the department directors. All statements should be furnished to Clerk's Office at the same time. Should the Purchasing Card Program Administrator not receive all of the statements, it will be his/her responsibility to contact the appropriate department director and have the statements furnished at once. If, however, one or more statements are for some reason not received, the remaining statements shall not be held while that one or more are pending.

- 3.3.6.1. All late attachments to the Statement must be stapled to the statement and be sent to the Clerk's Office **not later than the seventh working day** after being received by the Card Administrator.
- 3.3.7. If a Cardholder had no purchase activity on his/her credit card for a particular billing cycle, no Statement will be generated for the Cardholder (unless adjustments for previously billed transactions are processed during that cycle).

4. TRANSACTION APPROVAL

- 4.1. Approval of the transactions that a Cardholder had made using their Purchasing Cards, will not be totally defined in this procedure. Department Directors, because of his/her knowledge of the job responsibilities of Cardholder, are required to look at each Cardholder's purchases, and at the merchant who made the sale in order to determine if these items were for Official Use and if they were items allowed to be purchased in accordance with the instructions provided.
 - 4.1.1. If for any reason the Department Director questions the purchase(s), it is his/her responsibility to resolve the issue with the Cardholder. If they cannot be satisfied that the purchase was necessary and for Official Use, this would include an accidental or inadvertent purchase, then the Cardholder must provide an immediate payment for the purchase or a Credit Voucher proving the item(s) had been returned for credit.
- 4.2. The County Administrator will be responsible for resolving abuses by each Cardholder. Appropriate disciplinary action will be taken against any Cardholder who misuses their privileges of up to and including dismissal.
 - 4.2.1. Should it be evident that an unauthorized purchase was knowingly made, the County Administrator will determine what action will be taken based on the facts presented by the Purchasing Card Program Administrator.

5. DISPUTES/UNAUTHORIZED CHARGES

- 5.1. If a suspicious charge appears on a monthly statement, the Cardholder should first attempt to verify the charge with records of purchase. If the Cardholder does not agree with the charge posted on the statement, the Cardholder must notify the bank in writing, using the "Cardholder Dispute Form". A copy of the "Cardholder Dispute Form" will be forwarded with the statement through the end-of-month processing cycle for the statement. The bank will research the disputed charge and make the necessary adjustments.

- 5.2 Credit to Account – When the bank receives proper notification of a disputed charge, the charge amount will be removed from the total owed by BOCC and shown on the monthly statement as a “suspense” item. When the dispute is resolved, the charge will either be removed from the monthly statement (if the charge was improper) or charged to the Cardholder’s department (if research shows the charge was valid).
- 5.3. If items purchased with the Purchasing Card are found defective or the repair or services faulty, the Cardholder has the responsibility to return item(s) to the merchant for replacement or to receive a credit on the purchase. (Returns that require shipping will be coordinated through the Purchasing Department.) CASH REFUNDS WILL NOT BE PERMITTED. If the merchant refuses to replace or correct the faulty item, then the purchase of this item will be considered to be in DISPUTE.
- 5.4. A disputed item must be noted on the Cardholder’s Statement. In addition, a “Cardholder’s Statement of Disputed Item” form must be completed by the Cardholder with appropriate documentation attached, if necessary. This form will be forwarded with the statement through the end-of-month processing cycle for the statement.
- 5.5. Disputed items are items that the customer (County) does not believe he/she has received the item purchased, or the item has a defect. The dispute must be resolved between the merchant and the cardholder before any payment can be made.
- 5.6. It is essential that the time frames and documentation requirements established by the Purchasing Card Issuer be followed to protect the Cardholder’s rights in dispute. Dispute policies and procedures issued by the Purchasing Card Issuer will be provided at the time Purchasing Cards are issued to Cardholder.
- 5.7. Fraudulent or improper items may be covered by the Liability Waiver. However, disputed items are not considered fraudulent.

6. REQUEST FOR INITIAL, ADDITIONAL OR CHANGES TO PURCHASING CARD

- 6.2. All requests for Purchasing Cards must be approved by the Purchasing Card Program Administrator and/or the Office of Management and Budget Director.
- 6.3. The Purchasing Card Program Administrator's name must be provided to Clerk's Accounts Payable/Receivable Department and kept current.
- 6.4. When Purchasing Card Program Administrator receives the Purchasing Card from the credit card issuer, they shall print on the back of the card the following statement:

On an annual basis, the Purchasing Card Program Administrator will provide a list of Purchasing Cards issued to employees for each department. The Purchasing Card Program Administrator will conduct a physical inventory of Purchasing Cards and prepare a report on the results of the physical inventory. Additionally, spot check inventories of partial or whole departments may be held at any time and without prior notification.

8. LOST OR STOLEN PURCHASING CARDS

- 8.1. Should an employee lose or have their Purchasing Card stolen, it is the responsibility of the Cardholder to immediately notify the credit card issuer, their Department Director, the Purchasing Card Program Administrator and the Clerk's Accounts Payable/Receivable Department of the loss. The telephone number of the credit card issuer will be provided when the Purchasing Card is issued to the Cardholder.
- 8.2. **To report a lost/stolen card:**
The Cardholder must call Bank of America, Customer Service, at 800-538-8788 immediately upon discovering that the card has been lost or stolen. Help is available 24 hours a day. Also call the BOCC Purchasing Card Administrator as early as possible on the first available business day during normal business hours at (305) 295-4315.
- 8.3. Failure to promptly notify the issuing bank of the theft, loss, or misplacement of the Purchasing Card could make the BOCC and/or the Cardholder responsible for any fraudulent use of the card and result in loss of privileges and/or disciplinary action for the Cardholder.

9. EMPLOYEE TERMINATION/TRANSFER

- 9.1 A Cardholder who terminates their employment must relinquish their Purchasing Card at the time of the separation from BOCC to their Department Director who will forward the card to the Purchasing Card Programs Administrator. The Purchasing Card Program Administrator will notify the bank and the Cardholder's card will be immediately deactivated. A Cardholder who fraudulently uses the Purchasing Card after separation from BOCC will be subject to legal action.
- 9.2. Transfer of an employee within their Department – If a Cardholder is transferred with their department, it will be the responsibility of the Department Director to determine if the Cardholder should retain his/her current Purchasing Card. If it is determined that the Purchasing Card should be kept by the Cardholder, the master file will be changed upon notification to the Purchasing Card Program Administrator, using the New Card/Change Form, thereby eliminating the need for issuing a new Purchase Card.
- 9.3. Transfer of an employee to another BOCC Department - If a Cardholder is transferred to another BOCC department, it will be the responsibility of the new Department Director to determine if the Cardholder should retain his/her current Purchasing Card. If it is determined that the Purchasing Card should be kept by the Cardholder, the master file will be changed upon notification to the Purchasing Card Program Administrator, using the New Card/Change Form, thereby eliminating the need for the issuing of a new Purchasing Card.
- 9.4. Purchasing cards cancelled for any reason, shall be destroyed by cutting it down the center of the magnetic strip and returning both parts to the Purchasing Card Program Administrator for recording and destruction.

10. AUDITS/REVIEWS

- 10.1. The Card Program Administrator may randomly review Card activity and usage and receipt retention for compliance.
- 10.2. The Clerk's office may conduct random audits on card activity and usage and receipt retention, reconciliations, compliance, etc.

11. FEEDBACK

Your feedback regarding this program is important. The Purchasing Card Program Administrator needs to know if you have any issues and we welcome suggestions for improvement.

12. ACCOUNTING/PURCHASING PROCEDURES AND ACCOUNTING/TRAVEL AND TRAINING PROCEDURES

These procedures must be in compliance with Monroe County's Purchasing Policy and Procedures and must be incorporated with the State of Florida Purchasing Card Guidelines, where applicable.

13. MERCHANT SIGN-UP

It is important to the success of the Purchasing Card Program that merchants interested in doing business with the BOCC via the Purchasing Card receive assistance in doing so. If merchants currently accept VISA credit cards, they are already equipped to accept BOCC Purchasing Cards. A merchant who is not currently accepting VISA credit cards should contact the Bank of America merchant service provider, their own financial institution, or other merchant service provider.
